Below is a brief narrative of the institution's MRI capabilities. The following information was provided by the institution. BioPAL has compiled the MRI facility directory to aid researchers access MRI services. The listing is not an endorsement by BioPAL.

Covance, Inc. is a contrast research organization (CRO) that provides fee-for-service MRI and MRS measurements. The laboratory has a 7 Tesla Varian Direct Drive MRI spectrometer with a variety of RF coil/animal positioning systems that allow studies of mice, rats and rabbits. The laboratory is part of a state-of-the-art vivarium and is staffed by two PhDs with extensive MRI/MRS experience.

The Leading Provider of MRI Contrast Reagents for the Research Community
