

## Material Safety Data Sheet

Printing date Oct 4, 2006

Reviewed October 4, 2006

### 1. Identification of substance

Trade name: *Gado*-DTPA

Stock number: MR-00P01

Manufacturer/supplier:

BioPAL

80 Webster Street

Worcester, MA 01603

Emergency phone: 508-770-1190

### 2. Composition

Gdolinium-DTPA chelate dissolved in water, pH 7.4

### 3. Hazard identification

Irritant

### 4. First aid measures

In case of contact, immediately flush eyes or skin with copious amounts of water for at least 15 minutes while removing contaminated clothing and shoes.

### 5. Fire fighting measures

Extinguishing Media: Carbon dioxide or dry chemical powder

### 6. Accidental release measures

Procedure to be followed in case of leak or spill: Clean area wearing rubber gloves. Sweep up, place in a bag and hold for waste disposal. Avoid contact with substance. Avoid raising dust. Ventilate area and wash spill site after material pickup is complete.

### 7. Handling and storage

Do not breathe dust. Do not get in eyes, on skin, or on clothing.

Storage: Keep tightly closed. Store at room temperature. Do not freeze.

### 8. Exposure controls

Engineering controls: Safety shower and eye bath.

Personal Protective equipment: Wear chemical resistant gloves, safety goggles, other protective clothing.

General Hygiene measures: Wash contaminated clothing before reuse. Wash thoroughly after handling.

### 9. Physical Chemical Properties

Appearance: Colorless solution

Form. Aqueous solution

**10. Stability and reactivity**

Stability: Materials to avoid include strong oxidizing agents, strong acids, strong bases, and organic solvents

**11. Toxicological information**

The toxicological properties of this material have not been established.

**12. Ecological information**

Biodegradable.

**13. Disposal considerations**

Dispose in a chemical landfill. Observe all federal state, and local environmental regulations.

**14. Transport information:**

This substance is considered to be non-hazardous for transport and for air transport.

**15. Regulatory information**

US Classification and label text

Indication of danger: Irritant

Safety statements: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable protective clothing

**16. Other information**

This material is sold for research purposes only. It is not intended for food, drug, household, agricultural or cosmetic use. Its use must be supervised by a technically qualified individual experienced in handling potentially hazardous chemicals. The above information is believed to be correct but does not purport to be all-inclusive and shall be used only as a guide. Users should make independent decisions regarding completeness of the information based on all sources available. BioPAL shall not be held liable for any damage resulting from handling or from contact with the above product. Copyright 2009 BioPAL.
