

*Printing date Sept 23, 2004**Reviewed September 23, 2004***1. Identification of substance**Trade name: *RadiantDOTS*<sup>TM</sup>

Stock number: RD-01K35, RD-03K35

Manufacturer/supplier:

BioPAL

80 Webster Street

Worcester, MA 01603

Emergency phone: 508-770-1190

**2. Composition**

Polystyrene, europium, stabilizers, preservatives, and water

**3. Hazard identification**

Irritant, potential neurotoxin and carcinogen

**4. First aid measures**

In case of contact, immediately flush eyes or skin with copious amounts of water for at least 15 minutes while removing contaminated clothing and shoes.

**5. Fire fighting measures**

Extinguishing Media: Carbon dioxide or dry chemical powder

**6. Accidental release measures**

Procedure to be followed in case of leak or spill: Clean area wearing rubber gloves. Sweep up, place in a bag and hold for waste disposal. Avoid contact with substance. Avoid raising dust or aerosol. Ventilate area and wash spill site after material pickup is complete.

**7. Handling and storage**

Do not breathe dust or aerosol. Do not get in eyes, on skin, or on clothing. Avoid prolonged or repeated exposure.

Storage: Keep tightly closed. Store at 4°C. Do not freeze.

**8. Exposure controls**

Engineering controls: Safety shower and eye bath.

Personal Protective equipment: Wear chemical resistant gloves, safety goggles, other protective clothing.

General Hygiene measures: Wash contaminated clothing before reuse. Wash thoroughly after handling.

**9. Physical Chemical Properties**

Appearance: White suspension

**10. Stability and reactivity**

Stability: Materials to avoid include strong oxidizing agents, strong acids, strong bases, and organic solvents

**11. Toxicological information**

The toxicological properties of this material have not been established.

**12. Ecological information**

Nonbiodegradable.

**13. Disposal considerations**

Dispose in a chemical landfill. Observe all federal state, and local environmental regulations.

**14. Transport information:**

This substance is considered to be non-hazardous for transport and for air transport.

**15. Regulatory information**

US Classification and label text

Indication of danger: Irritant

Safety statements: In case of contact with eyes, rinse immediately with plenty of water and seek medical advice. Wear suitable protective clothing

**16. Other information**

This material is sold for research purposes only. It is not intended for food, drug, household, agricultural or cosmetic use. Its use must be supervised by a technically qualified individual experienced in handling potentially hazardous chemicals.
